
Keyholding

At Bulgarian Real Dreams Property Management we understand that the safety of your property is of great importance for your peace of mind. Therefore, we offer the key-holding service where you leave a key with us only for your agent to use. It is a usefull feature, as it is only used for our other services, such as cleaning and laundry, winterchecks or handed over to your guests when they arrive while you are out. At all other times, the safety of your keys is guaranteed.

The price for this service is 20 EUR per month.
